**DO YOU KNOW SOMEONE IN NEED OF ORTHODONTIC CARE  
BUT FACES FINANCIAL BARRIERS?**

**ROTARY SMILES** offers the opportunity for free orthodontic care to individuals who cannot afford braces. Simply by completing a short application, qualified applicants will be entered to become one of three **ROTARY SMILES** recipients! We built our program to meet the needs of individuals who wouldn't typically have access to funds for orthodontic care.

**ELIGIBILITY:** Applicants must be over the age of 12, can commit to scheduled appointments, reside in Bay County and are a candidate for braces.
